Hi Sandy-

Thanks for reworking these briefing papers over the weekend. I'll provide my proposed edits later today.

Attached are the briefs for Anaconda, Butte, Rocky Flats. I am still working on some issues with RMA with Rob but have included it here so that you can see what I have so far. I also don't have the East Helena paper yet.

Hope you aren't checking emails over the weekend! That said, I spent most of the afternoon going through and I think they are in pretty good shape – look forward to your comments. Once I hear from you I will pass on to Betsy. Plan to deliver to Doug on Tuesday.

Thanks.

Sandy
